Brownie Bake Sale

On Thursday September 29th, our Philanthropy Chair, Murray Elinson, held a brownie bake sale where all proceeds went to the Leukemia and Lymphoma Society of New Jersey. The night before, brothers gathered to make over 600 brownies! The next day, our brothers operated the selling table for three hours while Stevens students passed by in between classes. We sold every last brownie and were able to raise \$715 for the Leukemia and Lymphoma Society of New Jersey! Big thanks to Murray for organizing this very successful event and helping a cause which is close to many brothers' hearts.

SIGEP PRESENTS:
**BROWNIE
BAKE SALE**
FOR THE LEUKEMIA & LYMPHOMA SOCIETY NJ

THURSDAY 9/29
12:30-4PM @ DAVIS LAWN

\$1 FOR 1 BROWNIE
\$2 FOR 3 BROWNIES

NEW MEMBERS!

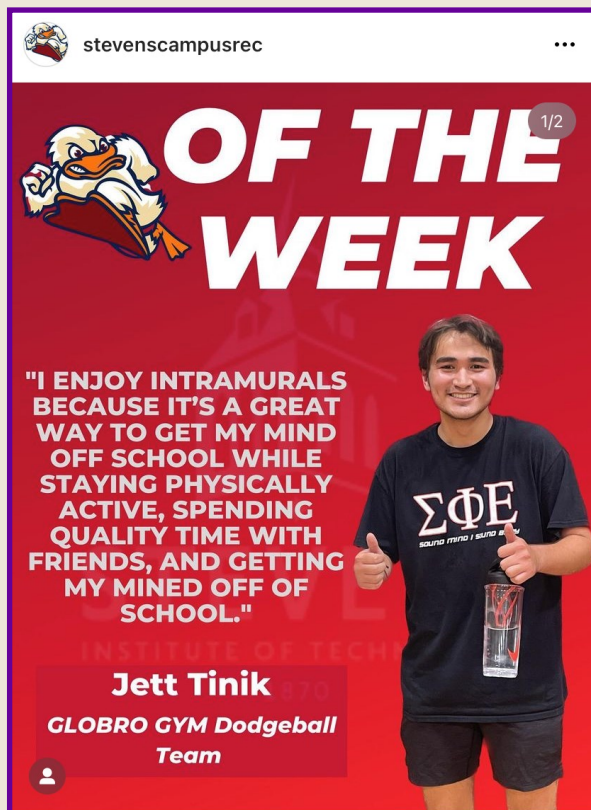

Bid night occurred on Friday September 30th and it was the time when Stevens students decided if they would accept the invitation that our fraternity had given them to join. Our chapter acquired 16 wonderful new members on this semester's bid night! Our brothers were very excited to have these new members join. Over the course of this semester, the new brothers will spend time learning about our fraternities values of Virtue, Diligence, and Brotherly Love as well as our motto of Sound Mind Sound Body. They will talk to current brothers and learn about what makes all of us SigEps. By talking to the brothers, the Sigma class will decide which brother they would like to have as a big. A big is a brother who mentors a younger brother through their time in SigEp and encourages them to keep growing as an individual. NJA is delighted to have these wonderful new brothers and are excited to see what they achieve in the future!

Intramural Sports

Every semester Stevens Campus Recreation holds intramural sports leagues for fraternities, sororities, and unaffiliated teams to compete in. This semester, the two sports are Dodgeball and Flag Football; Sigma NJA has teams competing in both leagues! For Dodgeball, some star brothers for our team have been Captain Matt Sytsma, James Schade, and Taylan Mansur. Taylan was even featured on

Stevens Campus Recreation Instagram (although mistakenly taken as another star brother Jet Tinik)! For Flag Football, some star brothers have been Captain Joe Letizia, Dan Lentini, and Dustin Conway. The NJA Flag Football team currently has three wins and one loss; hopefully a championship is in their future! We love having our brothers compete in Sound Body events such as these and are proud of the sportsmanship they have shown in both Intramural Dodgeball and Flag Football!

9/11 Remembrance Run

Every September 11th, SigEp NJA invites the Hoboken community to participate in a Remembrance Run. The silent run is just over two miles long from our house to Pier A. Some runners take turns voluntarily wearing a weighted vest to symbolize the gear firefighters wore while responding to 9/11. Upon arriving at Pier A, participants are encouraged to share their stories, connections, and reflections on the tragic event which occurred on the date twenty-one years ago. The Remembrance Run is a great NJA tradition which ensures that our chapter will Never Forget the lives lost on this tragic date.

Upcoming Event!

On October 30th, SigEp NJA will be holding its third annual Breast Cancer Awareness Brunch! The Breast Cancer Awareness Brunch is a fundraising event in which family and close friends gather to raise money for the Living Beyond Breast Cancer (LBBC) charity.

LBBC is dedicated to giving people and families suffering from the disease a place to find support, treatment, and share their voice so that no one has to experience the disease alone. Last year we were able to raise \$5,792 for this cause and we want to raise even more this time. So please join us on October 30th to help support a cause which means so much to SigEp NJA.

Please RSVP through the link below by Friday, October 28.
